

# BUILD YOUR DIGITAL SKILLS

DLDE Course Schedule 2024-25

## ON-DEMAND COURSES

### Google Applied Digital Skills

Choose one or more Google Applied Digital Skills lessons that relate to your work, complete the lesson, apply what you learned, and reflect on the process.

### Building Your Digital Skills

Assess your digital skill strengths and areas for growth and then work with a coach to improve.

### Google Certified Educator Level 1

Integrate Google apps into your practice while preparing for the Google Certified Educator Level 1 exam.

### Intro to Digital Literacy (Staff Induction Module)

Learn the definition of digital literacy in adult basic education and explore ways to integrate it into practice.

### Intro to Workforce Preparation Skills

Learn about the PA Foundation Skills and work with a student to use them to set an employment goal.

## COURSES THAT START IN FEBRUARY

### Building Learners' Digital Skills Using Instructional Routines

Learn about digital routines and create one for use in class.
