

Pennsylvania Workforce Development Areas Industry Sector Focus

December 2022

Industry sectors are an integral part of general economic and workforce development analysis, as well as in the formation of Industry Partnership(s) and High Priority Occupations (HPOs).

The [U.S. Department of Labor, Employment and Training Administration](#) identifies the top ten industry sectors:

- Accommodation and Food Services
- Construction
- Energy and Utilities
- Finance and Insurance
- Health Care and Social Assistance
- Information
- Manufacturing
- Retail Trade
- Transportation and Warehousing
- Professional, Scientific and Technical Services

Pennsylvania has identified twelve [industry clusters](#) (sectors):

- Advanced Manufacturing
- Agriculture and Food Production
- Bio-Medical
- Building and Construction
- Business Services
- Education
- Energy
- Health Care
- Hospitality, Leisure, and Entertainment
- Logistics and Transportation
- Real Estate, Finance, and Insurance
- Wood, Wood Products and Publishing

This document provides a listing of the industry sectors that are the focus of Pennsylvania's workforce development areas' local plans. The sectors are identified from each local plan exactly as they were named. Programs can use this resource to link to the local plans and support ongoing planning with workforce development partners.
